## Seating

---

At the three evening milongas, all tables and seating are pre-allocated. We have tried to accommodate people who asked to sit together, and also to move you to a different table each night.

Welcome volunteers will take you to your table — you can choose your seat at that table. Feel free to move around as the night progresses, but we want to make sure everyone has their booked seat at their table when they arrive, and always has a place to go back to.

Seating on Monday is unallocated.

## Emergency contact

---

In a real emergency, dial 000.

If you need to contact an organiser for something really important, go to the front desk, or try Yuko on 0412 448 934 — but she will be pretty busy, so please be patient.

## Albert Hall

---

The historic Albert Hall will be the venue for the whole event.

Albert Hall: 100 Commonwealth Ave, Yarralumla

There is some parking in the streets immediately around the venue, and a lot more just on the other side of Commonwealth Avenue at "Langton Car Park". There is a pedestrian underpass from there that comes out just near the venue.

## Cash-only Bar

---

For the evening milongas, we are running a basic bar service with local wines by the glass. For the lunch, BYO.

## Infection precautions

---

Let's be responsible — please don't come to any event if you have covid or flu symptoms.

There will be hand sanitiser available. Some people may choose to wear masks, or limit their dance partners. Please respect their choices.
